Humana Dental

Non-participating dentists can bill you for charges above the amount covered by your HumanaDental plan. To ensure you do not receive additional charges, visit a participating PPO Network dentist. Members and their families benefit from negotiated discounts on covered services by choosing dentists in our network. If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee for covered services. If a member sees an out-of-network dentist, coinsurance will apply to the usual and customary charge. Out-of-network dentists may bill you for charges above the amount covered by your dental plan.
